OTHER EXPERIENCE

I worked during my degree and during the summers in different kind of stuff. For example, I worked suporting in a event's company and in projects for my University.

I worked during few month in Brussels and London as a freelancer.

ABOUT ME

Working in different kind of jobs I learnt to be flexible, responsable and to work in a variety of environments. Personally, I enjoy working in teams but also creating my own projects.

As a journalist I'm very interesting in discover new programs and to learn about other topics. Furthermore, my studies in Communication Design allows me to project all my knowledge in different ways. Storytelling, Interaction, UI/UX, Digital Culture and Creative Coding.

Nowadays I'm focus in specializing myself in telling stories with Data Visualization and New Digital Narratives.
